Dear Parents and Guardians,

The beginning of another school year is approaching and we would like to welcome all ISA families, both new and returning, to what we believe will be an exciting year. We say exciting because we have further enhanced our programmes with new ideas in all aspects of school life.

Just to mention a few: for Melina's and Primary School, the expansion of extra-curricular activities; grade 6 students return to the Primary School; and for grades 7 to 10, the introduction of clubs sessions one hour a week, where students have the opportunity to pursue extra-curricular interests such as tennis, swimming, forensics, dance, and journalism. Finally, there will be two lunch breaks divided between grades 6 to 9 and grades 10 to 12.

We are pleased to announce that our IB Diploma results were very good, as was the success rate in university placement, with virtually all students having obtained a place at the university or educational institution of their choice. Congratulations to all our graduates.

For returning families, we enclose the end-of-year Honour Roll for the 2006-2007 academic year. We congratulate the students in grade 6-12 who earned a place on the academic and/or effort honour roll through their diligence and effort throughout the year. Well done!

We are happy to announce that we have re-established the Public Relations office and have appointed Ms Penelope Gunville as its director.

For the weekend of the elections, we are expecting the directive from the Ministry of Education which we are obliged to follow. We will announce the decision when we receive notice.

Once again, we look forward to seeing all of you and wish all our students a happy, healthy and successful school year. Please remember that I am always available to discuss any concerns you may have.

Kind regards,

Costis Dardoufas  
Director / Head of School
